

#### REMARKS/ARGUMENTS

Claims 1-9 are pending in the application with claims 1-7 and 9 allowed; reexamination and reconsideration are hereby requested.

Claim 8 was rejected as anticipated by McGirr. The Examiner pointed to items in Fig.1.

Applicants reply that claim 8 has been amended to clarify the calibration factors. McGirr calibration factors (column 6, line 65 to column 7, line 9) do not suggest those of amended claim 8.

Respectfully submitted,
